Property Description

This is a great chance to own a revenue generating shop in a central location in Taber! This 20,164 sq. ft. shop currently is currently occupied by 3 tenants and generates steady monthly revenue. It could also be arranged for a new owner to move in and set up their own operations. This could be used for a heavy or light mechanic shop or a storage/warehouse facility. There is room for large vehicles to pull through and there is plenty of yard space. This is a fantastic investment opportunity for a ready to use building at a time when new construction costs are quite high!
