### Property Description

This is a nice opportunity to own two lots, side by side, with multi family zoning. These are bare lots, giving you a few options for building: use both lots and build a beautiful, single-family dream home with a huge yard and/or garage; or build a duplex, triplex, or fourplex as investment income (or live in one unit and rent out the rest). The lots are located in Meadowlands, the newest subdivision in Stettler, which is a family-friendly community. These lots are close to walking trails, the Stettler Recreation Centre, soccer and ball diamonds, and West Stettler Park.
