Property Description

Don't miss this opportunity to own a beautiful piece of land with an amazing well in a great community! This fully fenced 80-acre parcel offers mountain views and total privacy, just 35 minutes from NW Calgary and 30 minutes northeast of Cochrane. Approximately 55 acres were previously seeded to hay, while the balance is cross-fenced and ideal for horse pasture. The land features gently rolling terrain with multiple excellent building sites—many of which are well-suited for a walkout home. A high-producing well is already in place (ran by generator). The west side of the property includes a seasonal creek, attractive rolling topography, and pockets of trees. Power and natural gas are available. Located near the end of a

no-thru road. Please do not access the property without permission.
