Property Description

P:

Built on an incredible lot in Mount Pleasant, only steps to Confederation Park, this well appointed infill built by Boulevard Development Corporation will be ready for occupancy in Late September. The finished basement can be converted into a basement suite if so desired, but would be subject to approval and permitting by the city/municipality. This home is currently under construction, will exceed all expectations, and this is a great opportunity to get involved now to work with the builder and design team to customize your finishes!
