Property Description

Off-Grid Serenity on 24 Acres in Blueberry Mountain! Craving peace, privacy, and self-sufficiency? This 24-acre gem in Blueberry Mountain is the off-grid escape you've been dreaming of! Equipped with a full solar power system plus generator backup, metal roof, spray foam insulation, and a wood stove, comfort meets sustainability here. The propane fridge, stove, and hot water tank keep things efficient, while a cistern supplies water—PLUS the property is eligible for free municipal water hookup! Inside, you'll find a cozy and functional layout featuring a boot room with ample storage, open-concept living with recessed lighting and a wood stove, and a farmhouse-style kitchen with a bamboo island, pantry, and classic farm sink. The primary bedroom includes a massive closet and private exterior door. Additional perks include a bathroom

with generous counter space and a combo washer/dryer unit. Wood plank flooring runs throughout for a rustic yet modern touch. Step outside to enjoy a huge deck with a covered BBQ area, lush garden, extra large shop, corral for horses or livestock and garden shed—all surrounded by mature trees for natural windbreak and privacy. Power and natural gas are available at the property line. Yes, you still get strong Wi-Fi and great cell service here! Whether you're looking for a full-time home, getaway cabin, or homestead, this property has everything. Call to view and get ready to unplug in style!
