Property Description

Very well maintained gem of a home located within a short walk to the Co-op and downtown. With 2 bedrooms on the main floor and another in the finished basement and two bathrooms this could be a fantastic starter. The home has had recent updates including new shingles and also some of the windows and flooring as well. Nicely landscaped and fully fenced yard. You really have to see this home to see what it has to offer. Nothing left to do but move in and enjoy. Call for your appointment to view.
