West Hawk community is thoughtfully designed around 27 acres of sloping Environmental Reserve, preserving native wildlife habitats and offering scenic viewpoints, rest areas, and a series of walking trails and ravine crossings. These features are integrated into Bike Cochrane's exclusive bike network, providing residents with easy access to nature. Phases 2 and 3 will further enhance the community with additional amenities, including an off-leash dog park and a playground, both expected to be completed by early fall 2025.

To maintain the natural beauty of the area, West Hawk is strategically planned, with over 50% of homes backing onto amenities such as the Environmental Reserve Ridge homes, the future dog park located in the northeastern corner, and the planned Tot Lot along Heritage Boulevard. The community will also feature a future K-9 School site, adding to the family-friendly atmosphere and enhancing the overall quality of life for residents.
