P:

This charming bungalow was built in 1923 and combines character with modern upgrades. It has undergone extensive renovations, including being lifted in 1992 to install a full concrete basement. Further updates in 1996 effectively renovated the home to a 1955 age standard as per Town assessment. The main floor features a spacious, open living area with a living room and a dining room that will accommodate family gatherings. The light filled kitchen is at the back of the home and has lots of cabinets and counter space, a pantry cupboard, room for a small dining set and there's a stackable washer/dryer that creates a self-contained space for this level. Two bedrooms and a brand new 4-piece bathroom round out the main floor. The back entrance provides access to both the main level and the fully developed basement, while there is also a separate side entrance to the lower level. The basement includes a workshop/storage/laundry room at the back and additional living space at the front, which consists of a living area with a kitchen and dining area, a large bedroom and a 4-piece bathroom. Many upgrades have been made, including new wiring, an upgraded electrical panel, upgraded furnace and water heater, back flow valve and sump pump installed, improved insulation (including blown-in insulation in the attic), kitchen cabinets, and a metal roof. The covered front veranda has been redone recently and provides a great spot to enjoy the outdoors and have shelter when entering the home. The mature yard is a garden enthusiast's paradise with the backyard hosting numerous fruit trees and bushes, including apple, chokecherry, crab apple, saskatoon, and raspberry bushes, along with a large garden area and there's various flower/perennial beds around the home. A large shed provides storage for the yard equipment and off-street parking is accessible via the back-alley. The convenient location of this home allows for walking to all amenities including the medical centre, banks, shopping, restaurants, schools, parks and playgrounds.
