### Property Description

European-inspired two-storey home offering over 4,200 sq ft of total living space, located just 1 MILE North of OKOTOKS. This well-built property features gleaming hardwood floors, expansive windows, and beautiful MOUNTAIN VIEWS. The UPDATED KITCHEN includes a large fridge/freezer combo, double oven, island seating for two, a huge walk-in pantry, and a dedicated coffee station. A formal dining room connects seamlessly to the main living spaces. The living room features a wood-burning fireplace, and the main floor also includes a 3-season sunroom, a spacious family room, a flex room currently used as a home office, and a 3-piece bath.

Upstairs you'll find all the bedrooms are oversized and a library with potential to convert into an additional bedroom. The lower level includes 929 sq ft, with garage access, ample storage, and a salon space ready for conversion. A second office downstairs would also suit a theatre room, fitness area, or hobby room. Outside, the landscaped yard includes mature trees, lush grassy areas suitable for a couple of horses, and

manicured garden beds. A gazebo provides a quiet place to enjoy the outdoors. The large shed/outbuilding is divided into two functional spaces and also features power, ideal for equipment or workshop use. A long private driveway keeps the home set well back from the road for added privacy. This property offers generous living space, flexible-use rooms, and excellent potential for families, home businesses, or multigenerational living.
