

74 Bluerock Avenue SW, Calgary, Alberta - \$1,199,900

Main Photo

Property Description

The Summit at 2,707 sqft is a brand-new home, featuring a stunning 42' wide design, with a triple tandem car garage. The exterior features urban mountain architecture with Hardie board siding & stone. The interior palette showcases high quality finishings, including 10' main floor ceilings, engineered oak hardwood flooring and quartz countertops throughout. The kitchen features two-tone HDF cabinetry with soft close doors and drawers, Frigidaire Professional series appliances including gas range, granite sink, and champagne bronze hardware. Located off the kitchen is a large 18' x 11' deck. The main floor executive office features 12' ceilings with large street facing windows. The upper-floor features 2 large secondary bedrooms, large 4pc jack and jill bathroom and an upper floor laundry connecting to the primary bedroom oversized walk-in closet. The spacious primary includes a 5-pc ensuite with oversized shower and free-standing tub. The front yard is fully landscaped. Photos are representative.
