Freshly painted and move-in ready, this split-level end unit offers the rare combination of a dual primary bedroom layout, a developed walkout basement and 3 outdoor areas! The unique floorplan begins on the entry level with a welcoming foyer and access to the attached garage. Upstairs, the living area impresses with soaring ceilings and extra windows that fill the space with natural light inviting relaxation. Patio sliders open to a sunny balcony, seamlessly blending indoor and outdoor living. A convenient powder room completes this level. Just above, the stylish kitchen inspires culinary adventures featuring stone countertops, full-height shaker cabinets, stainless steel appliances and a central island with bar seating, perfect for casual meals or entertaining. Adjacent to the kitchen, the dining room includes designer lighting and direct access to a second balcony, ideal for summer grilling or evening unwinding. Upstairs on

the top level, both bedrooms enjoy the privacy of their own ensuite bathrooms. The spacious primary retreat includes dual sinks and an oversized shower, while the second bedroom offers a full 4-piece ensuite as well for ultimate privacy. Laundry is conveniently located on this uppermost floor. Downstairs, the fully finished walkout basement provides flexible living space with a 3rd bedroom, a walk-in closet and sliding doors to a covered patio and grassy outdoor area, perfect for guests, roommates or a quiet home office setup. Rough ins for a future bathroom further add to the versatility of this level. The attached garage and driveway ensure ample parking. Located in the vibrant community of Sage Hill, this home is surrounded by scenic pathways, tranquil ponds, playgrounds and an abundance of nearby amenities including shopping, restaurants and fitness centers. Easy access to major roads makes commuting a breeze. Enjoy the ease of low-maintenance living without sacrificing space, style, or flexibility!
