Property Description

Unlock the potential of this prime redevelopment opportunity in a sought-after location! Sitting on a massive 70' x 110' lot, this property is zoned RG, allowing for either a side-by-side duplex or a legal up/down suite—perfect for investors or builders looking to maximize rental income and resale value.

The existing structure is a teardown and the property is being sold "AS IS WHERE IS", but the water connection is already in place—a major cost saver of nearly \$10,000 compared to a brand-new lot.

Nestled next to parks, schools, and a nearby ice rink, this location is ideal for families and long-term

tenants alike. Whether you're building a full duplex or an up/down investment property, this lot gives you the space and zoning to make it happen.
