616 Riverview Place , Longview, Alberta - \$375,900

Main Photo

Property Description

This property is either to knock down and rebuild your dream home with a walkout basement or: This property is your "Fixer Upper" to enjoy, if your desire is a quiet country atmosphere and starlit night sky, you should consider this property. Enjoy your morning beverage either in the covered porch or out on the deck in the morning sunlight. The home is located on a lot backing on to a natural green area ravine/gulley. The lot is populated with a variety of mature trees. This property qualifies as a fixer-upper project property in a desirable location in Longview, Alberta. The garage just off the street at the front of the lot is insulated with a quality radiant heater, and plumbed for a compressor. The back yard possesses tremendous potential. The house and garage require attention and will benefit from a handyman's touch and the care of someone who wants to make a great home in a tremendous community. The basement has large windows, lending to a potential extra couple bedrooms and family room, with the rough-in for a bathroom. And if one chooses can move the laundry back to the basement where it originally was. Come and see us.
