Property Description

Fantastic 2 storey home 1 block from Riverstone school! You will not be disappointed by this charming home in Cobblestone. Features Air Conditioning for those hot Alberta summer nights and a gas fireplace for the cold winter nights. As soon as you enter the home you will appreciate the open concept floor plan of the main living area perfect for those family dinners or family game night. The chef in the family will appreciate the High End appliances that come with this home. There is a island for all the prep work and an abundance of cabinets for all of your storage needs. There is a main floor powder room directly across from the rear entrance. Upstairs there are two kids rooms complete with custom feature walls. There is a full 4 piece bathroom for the kids complete with a 1 piece tub/shower unit. The master bedroom is spacious and also features a custom feature wall. The ensuite is roomy with another full sized tub/shower unit. The basement is nearly fully developed. The basement bathroom is nearly complete. The huge rec room is great for the kids play space. The large laundry room / utility storage area completes the basement. The backyard is a wide open space with a deck to enjoy those sunny days. The custom wood fence offers much privacy and the grass is like a beautiful green carpet. Don't miss this gem. Call your Realtor today and make this Beauty your new family home!
