Property Description

This stunning townhouse is perfectly situated within the complex facing the courtyard with visitor parking right out front. What makes this property exceptional is the fact that the front part of the tandem garage has been transformed into a permitted living space that can be used as a personal studio/office space. Heading upstairs, you'll discover that this home has been dramatically improved with exceptional design touches. From floating shelves, to upgraded lighting, this home is not your typical cookie cutter property. The built-in office nook is a great creative space, and the living room with a corner fireplace is where you'll cozy up in the evenings. The kitchen has everything you need with stone counters, a central island and stainless steel appliances. A deck off the living area is a great spot for a morning coffee or gathering with friends. An adorable 2 piece bath complete this level. Upstairs, you'll find a spacious primary suite with a walk-in closet and a spacious 4 piece ensuite that includes a large vanity with dual sinks and a tiled oversized shower. Two additional bedrooms, a 4 piece bath and upper laundry complete the top floor. The

attached garage fits one vehicle with space for storage. There is also a driveway that can fit an additional vehicle. This is a pet friendly complex subject to board approval. Condo fees are very reasonable at \$245/month and allow for low maintenance living with snow removal and landscaping included. Great access to shopping, schools, a dog park and walking paths!
