152 Hotchkiss Common SE, Calgary, Alberta - $799,650

Main Photo

Property Description

Introducing the Legacy model, built by a trusted builder. This home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you.

This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it's designed for sustainable, future-forward living.

Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub. Enjoy the convenience of a side entrance, main floor flex room, and

walk-through pantry connecting to the executive kitchen with built-in stainless steel appliances, a gas cooktop and fridge with water and ice dispenser. The great room stuns with an open-to-below design and a striking electric fireplace with tile to mantle. Upstairs, the vaulted bonus room adds space and charm. Retreat to the luxurious 5-piece ensuite with a soaker tub and walk in shower with tiled walls. With quartz countertops in all baths, extra windows throughout, paint-grade railings with iron spindles, and gas line for BBQ, the Legacy is built for modern living. Photos are representative.
