### Property Description

If you have been looking for an affordable 3 bedroom home or an awesome revenue property? We just listed it!! Not only does this home have 3 bedrooms & 1 bath, it has a detached garage as well on a very large lot. Walking through the front door, you are welcomed to a good sized living room that has a large picture window allowing the sun to filter through the house. The well addressed kitchen features a good amount of cabinets, a fridge & stove. Just off the kitchen is the laundry area located right beside the back door. Down the hall you have 3 good sized bedrooms and a full bath. Laminate flooring flows through the living room, kitchen and hall while berber carpet finishes the bedrooms. The very large deck and oversized lot that features a fire pit is sure to allow you long evenings of relaxation, fun & activities with family &

friends. The detached, heated garage ensures your vehicle will be cozy warm in the winter and there is ample space for a bit of a work shop. The fully fenced lot gives you the security that your little ones will be secure while playing in the back yard.
