The chef-inspired kitchen is a true showpiece, featuring an oversized 11' island, an abundance of cabinetry, integrated/panelled appliances, and a walk-in pantry. Designer lighting elevates the space, from the kitchen to the adjacent dining room, which features sliding doors and a south-facing deck for your BBQ area. A large, bright living room showcasing a natural gas fireplace wrapped in European-style plaster, including custom-built oak shelving. A convenient main-level office space tucked behind the kitchen, filled with natural light from a generous window, completes this level.

Acceding to the second floor, you will find an unexpected City view, a huge primary bedroom with a vaulted ceiling, a large walk-in closet, and a dreamy en-suite bathroom. Two additional bedrooms, a second bath with dual sinks and a bright, stylish laundry room that will put a smile on your face complete the upper level.

The rare and convenient DOUBLE-ATTACHED GARAGE welcomes you into the lower level's sleek mudroom, featuring designer-chosen herringbone brick tile and an abundance of cabinetry and storage. The lower-level large open area would make an amazing theatre room or a convenient gym area.

Immerse yourself in the vibrant Bridgeland Arts and Culture District, a convenient hub for a diverse range of amenities. From schools, churches, restaurants and coffee shops to grocery markets and ice cream parlours, this area has it all.
