### Property Description

A diamond in the rough awaits! This fixer-upper is ideal for the handyperson or investor looking to build equity through a renovation. It is a uniquely laid-out 4-level split, a home built in 1978 with vinyl window updates and hardwood flooring. Nestled on a peaceful, family-friendly cul-de-sac, this 1300 sq ft property sits on a desirable pie-shaped lot, offering a generous and private fenced backyard. The kitchen is equipped with updated stainless steel appliances. The home's exceptional layout is designed for comfort and privacy. The entire third level can serve as your personal retreat, featuring a gas fireplace and a primary bedroom that boasts a convenient 3-piece ensuite bathroom and a walk-in closet. Adding to the home's unique functionality, the fourth level features workshop space with direct access up a small flight of stairs into the attached garage. This one-of-a-kind home in a quiet location is a must-see!
