### Property Description

Seller motivated to move before the snow flies - HUGE \$26,000 price reduction!

This 2,050 sq ft two-story home was fully rebuilt from the studs up, blending the efficiency of a new build with the charm of an established neighborhood. Step inside to a bright, open layout with clean lines and contemporary finishes. The chef's kitchen features a waterfall quartz island with seating, a second prep sink, and abundant cabinetry, perfect for hosting alongside the formal dining area. The living room's sleek electric fireplace frames breathtaking Coulee views, while a main-floor office, mudroom, and half bath add function. Upstairs, the serene primary suite offers custom built-ins, a spa-like 5-piece ensuite, and more stunning views. Two additional bedrooms, a full bath, and laundry complete the level. The finished lower level offers a versatile rec space for a home theater, gym, or guest suite.

The landscaped backyard is a private retreat with no rear neighbors, just uninterrupted green space and Coulee scenery. A heated detached garage and wide lot provide extra parking and storage. Set in a quiet, friendly neighborhood, this home is a short walk to parks, schools, and downtown. A rare opportunity to own a turn key property in one of Medicine Hat's most sought-after communities. Book your private viewing today.
