

605 29 Avenue NW, Calgary, Alberta - \$1,275,000

Main Photo

Property Description

Legacy location on the park in highly desirable West Mount Pleasant. This is a unique opportunity to own a brand new home in a coveted neighbourhood and location by a quality builder - Saville Homes. Completion is anticipated early November 2025. Featuring timeless European inspired design and craftsmanship this stunning semi-detached home features a white brick facade, and Juliet balcony off the master bedroom. Large North facing windows offer serene views towards the park and offer a vantage to enjoy the all-season park with playground, fields and hockey rink in winter. The interior is modern yet timeless with an open floorplan design offering unique furniture configurations. The high-end kitchen features quartz countertops, and solid slab backsplash, two tone cabinets with white oak island and lower cabinets and

sprayed shaker uppers. Engineered Oak Hardwood can be found throughout the main level. Beyond the kitchen is a dining area that opens to the rear patio with gas line and eventual landscaped back yard with sod and new fence. Upstairs features a large hotel-inspired primary suite with dual closets and large spa-like 5-piece ensuite. The primary suite features views to the park and large sliding glass doors with Juliet balcony. Upstairs is a full sized laundry room with sink and two additional generous sized bedrooms that share a 5 piece bath with dual sink vanity. The lower level is fully finished with wetbar in the large living area, bedroom and a separate office/den. Truly a unique offering facing the park and steps to Confederation Park in Calgary's inner-city, this home won't last long. Book your private viewing today!
