Property Description

Welcome to 19 Glendale Blvd, a beautifully updated 3-bedroom, 2-bathroom home with 1,062 square feet of living space, this inviting 4-level split is perfect for families or anyone seeking a move in ready home. Many recent updates throughout, highlighted by the new kitchen cabinets, countertops, flooring on the main level, and new appliances, all completed in July 2025. The upper level has two generously sized bedrooms, with the primary bedroom having a walk-in closet with a second door accessing the main floor 4-piece bathroom. The lower level of the house has an office or den area at the bottom of the stairs and a 3RD bedroom. Near to the 3RD bedroom is a massive 5-piece bathroom, equipped with tile floors, corner tub, a separate shower, and double sinks. The fully finished basement features an entertainment/media room, storage room, laundry room, utility room and access to storage in the crawl space. The media room could easily be converted into a 4TH bedroom. The exterior of the home has also had a complete overhaul within the past 10 years, with major upgrades with the replacement of the windows, siding, and shingles.

The property is complete with a fully fenced yard a long, driveway that leads to the 18x20 carport, which could easily be converted to an attached garage. This well cared for home is available for immediate possession, allowing for owners to settle in quickly.
