The main floor features a chef's kitchen with upgraded appliances including a gas cooktop, wall oven, built-in microwave, and a butler's pantry ideal for a coffee bar or prep space. A spacious mudroom with built-in lockers, walkthrough pantry, and main floor office round out this level.

The fully finished basement has 9-foot ceilings, a large rec room, 4th bedroom, full bathroom, and excellent storage.

Outside is exceptional: a professionally landscaped pie-shaped lot with a 3-tiered deck, cedar pergola, 7-foot dry storage, BBQ gas line, and a fully fenced yard with cedar mulch garden beds.
