## Property Description

This brand-new, purpose-built shopping centre offers over 16,500 sq. ft. across three levels and is projected to deliver an impressive 6.5% cap rate. Strategically positioned in a high-traffic, high-visibility location, this property blends premium retail, office, and service spaces designed to accommodate a diverse range of uses.

The best part? The centre will be 100% leased prior to closing, ensuring a strong and diversified tenant mix and providing immediate, stable cash flow from Day 1. This is a rare opportunity to acquire a pristine, fully-occupied, income-producing asset in one of Calgary's most sought-after areas — a true turnkey investment offering long-term stability and growth potential.
