Four-car-garage fully developed home plus a second residence: an updated mobile home! 40' X 100' Quonset for storage plus a heated 40' X 42' workshop for projects. Various outbuildings. Enter the big boot room and step left to that long garage or hang a right into the home, via steps or ramp. Main floor is modern and just requires a few touch ups. An addition adds a second large dining space to the main floor, or option to modify the large layout for a variety of uses. Two bedrooms plus a utility room could be third bedroom. Downstairs, two bedrooms plus an office with an egress window that opens to the garage. Mobile home has been renovated with a large addition and just needs some minor work. This is an estate sale so please accept the property, inside and out, as is where is. GST may apply.
