Property Description

A rare opportunity. Large, south backing cul-de-sac home in beautiful Varsity Village. This family home has great curb appeal and its 68ft x 120ft lot provides generous front and rear yards. Additionally, a community pathway behind this property contributes to the family and community oriented look and feel of Varsity Village. This home has been loved and cared for over its years so it offers everything from a move-in as is opportunity to various potential minor or major renovations and the floor plans lends itself well to that.
