Property Description

Beautiful 1.5 storey stucco home in sought-after Vista, offering just under 1,700 sq ft of beautifully finished living space. The upper level features 2 bedrooms including the primary with a pocket door to the full bath complete with separate shower and jet tub. The main floor boasts an open plan with high ceilings, vinyl plank flooring, quartz countertops, and a flexible den or 5th bedroom—perfect for a playroom or office, a 2-piece bath, and convenient garage access. The basement offers a spacious rec room, 2 more bedrooms, full bath, separate laundry room, and plenty of storage. Enjoy the back deck with access from both the kitchen and bedroom, low-maintenance vinyl fencing, underground sprinklers, and a heated attached garage. Updates include A/C and furnace (2018) and hot water tank (2024).
