Property Description

Welcome to the Hogan 4 - where modern style meets everyday function.

Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home.

The kitchen boasts a chimney hood fan, stainless steel appliances, Silgranit sink, walk-through pantry and extra drawers. This home features 9' basement ceilings, side entrance, and a rear deck with BBQ gas line rough-in. Relax in the vaulted bonus room or by the electric fireplace in the great room. The 5-piece ensuite includes tiled shower walls, dual sinks, and a soaker tub. Luxury vinyl plank flooring extends throughout the main living areas, offering both style and durability. Downstairs, the basement is thoughtfully prepped with rough-ins to easily add a wet bar. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it's designed for sustainable, future-

forward living.

Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub. Photos are representative.
