Property Description

Reserve your unit in this brand-new 6-plex project by Greener Homes, located in the established London Road community. This development offers the convenience of condo living in a mature neighborhood, close to downtown, shopping, schools, bus stops, and with easy access to major roadways and coulee walking paths.

Each unit is designed with three bedrooms and two and a half bathrooms, providing space and functionality for a variety of lifestyles. The main floor includes open living and dining areas alongside a practical kitchen layout, while the bedrooms and full bathrooms are located on a separate floor for privacy.

With maintenance-free exteriors, modern construction standards, and the benefit of a walkable setting, these homes are a rare opportunity to combine new construction with an established community.

Pre-sales are now open for this project. Contact your Realtor today to learn more about availability, floorplans, and upgrade options.
