The fully renovated kitchen is a true showstopper, crafted with premium birch wood cabinetry in a high-gloss finish, topped with luxury quartz countertops—including a \$3,000 upgraded full waterfall island. The basement mother-in-law ILLEGAL suite offers a private entrance, vinyl tile flooring with waterproof underlay, and full access to a separate maintenance room, as well as its own washer/dryer access—ideal for extended family or rental opportunities.

Stamped charcoal grey concrete wraps around the entire home for a seamless, high-end finish

Spacious RV parking pad with asphalt surface

Synthetic turf playground area with bedding sand—safe, soft, and vacuum-friendly

Front yard irrigation system with electrical tree plug access

Bonus features include dual laundry setups (upstairs and basement), massive crawl-out storage spaces on both sides of the house, and beautifully integrated outdoor lighting and landscaping elements.
